- To comply with minimum spacing requirements between units in separate occupation, tents (Inc. guy ropes) that have a footprint in excess of 40m² or 420 ft² will not fit our pitches and are not permitted.
- Minimum spacing requirements must be observed. In order to achieve this, at any point where a pitch adjoins a neighbouring pitch you must set up a minimum of 2 metres inside any pitch marking. If this guideline is not observed, or if guy ropes or vehicles are positioned over pitch markings, please expect to be asked to re-pitch.
- We will only permit 1 tent or motorhome / campervan on to a single pitch. An additional 2 man or pup tent may be permitted but only to accommodate children in the same family unit and only 1 per pitch
- Please take the time to look at our site rules and booking T&C's before booking.
- In particular please note that we do not permit music to be played on the campsite at any time so if this is something that you feel is essential for an enjoyable holiday, please book onto another campsite as this rule is always enforced at Hillend.
