Please note

To comply with minimum spacing requirements between units in separate occupation, tents inc. guy ropes, which have a footprint in excess of 40m² (420 ft²), will not fit our pitches and are not permitted.

Minimum spacing requirements must be observed. In order to achieve this, at any point where a pitch adjoins a neighbouring pitch you must set up a minimum of 2 metres inside any pitch marking. If this guideline is not observed, or if guy ropes or vehicles are positioned over pitch markings, please expect to be asked to move.

We will only permit 1 tent or motorhome / campervan on to a single pitch.

If there are no available standard pitches we will consider permitting 2 standard units onto a large pitch but the cost will be the equivalent of 2 standard pitches & minimum spacing requirements to neighbouring pitches must be observed. This arrangement can only be made by contacting the park direct.

Please take the time to look at our site rules and booking T&C's before booking.

In particular please note that we do not permit music to be played on the campsite at any time so if this is something that you feel is essential for an enjoyable holiday, please book onto another campsite as this rule is always enforced at Hillend.

We do not tolerate anti social behaviour in any form at Hillend.

Groups of 6 or more adults by prior arrangement only. Please call (01792) 386204 to discuss

Groups of families often want to be pitched together. Pitches are allocated on arrival but we will do our best to accommodate this request. If you are more than 3 families it will assist us if you contact us prior to your date of arrival to discuss.

Other pitch types may be available. If your tent is larger than we will permit or if you have specific requirements please ring 01792 386204 to discuss.

We accept all types of payment other than cheques.

Apart from April & September we will require a minimum 2night booking and 3 nights on all bank holiday weekends.

We do not offer single occupancy rates from May – August inclusive. In April and September the single occupancy rate is £15 / night.
